POTENTIAL ADMINISTRATIVE CIVIL LIABILITY FOR FAILURE TO SUBMIT ANNUAL REPORT, SAN ISIDRO JERSEY DAIRY, WDID 5B50NC00270, 4413 S PRAIRIE FLOWER ROAD, TURLOCK, STANISLAUS COUNTY

The dairy facility identified above is regulated by the Waste Discharge Requirements General Order for Existing Milk Cow Dairies, Order No. R5-2007-0035 (General Order), which was issued by the Central Valley Regional Water Quality Control Board (Central Valley Water Board) on 3 May 2007. The General Order required that a 2012 Annual Report be submitted for regulated facilities by 1 July 2013. As of the date of this letter, we have not received the 2012 Annual Report for the above dairy.

The required reports are requested pursuant to California Water Code (CWC) section 13267. CWC section 13268 provides that failure to submit the required reports can subject you to administrative civil liability (monetary penalties) at a rate of up to \$1,000 for each day each report is late or substantially incomplete if imposed by the Central Valley Water Board, or at a rate up to \$5,000 for each day a report is late or substantially incomplete if imposed by the superior court. It is important that you promptly provide the Central Valley Water Board with the reports required by the General Order that were due by 1 July 2013, to minimize your potential liability.

Please note that an annual report is required for the subject facility as long as it is regulated under the General Order, even if the facility was vacant during the 2012 calendar year. If the facility was vacant during 2012, no manure or wastewater was exported during 2012, and no manure or wastewater was land applied during 2012, you must submit a report containing this information and providing groundwater data for any domestic or agricultural wells on site. If the dairy is currently in the closure process, but it operated as a dairy during part of the 2012 calendar year, you must submit a report which provides data on manure and crop production and land application or export of manure or wastewater, as well as groundwater data for any domestic or agricultural wells on site.

If you have any questions regarding this matter, you may contact me at (916) 464-4724 or Charlene.Herbst@waterboards.ca.gov; Girma Getachew at (916) 464-4851 or
